From EC to 1

Airbus Helicopters renamed the majority of its products in 2015 to reflects its own rebranding as Airbus and to provide its customers with a coherent and easy-to-understand product range. Airbus Helicopters' teams work hard to achieve the level of excellence expected by customers and to make Airbus the benchmark for excellence in the helicopter industry.

FICare, a new dynamic of customer services

Airbus Helicopters is introducing a new dynamic for its Customer Service activities, HCare, to demonstrate our constant objective: meet our customers' most demanding requests by providing the highest level of service performance and quality while ensuring safety and operational availability.

Airbus Helicopters is supporting more than 3,000 customers in 152 countries, 24/7 - we are with all of them on every flight. We constantly raise the bar to achieve our company's commitment: Important to you. Essential to us.

Airbus Helicopter's HCare is composed of 5 Customer Service offers:

- Material Management
- Helicopter MRO and Upgrades
- Technical Support
- · Training and flight operations
- Connected Services
